

# The Moonshine Dragon

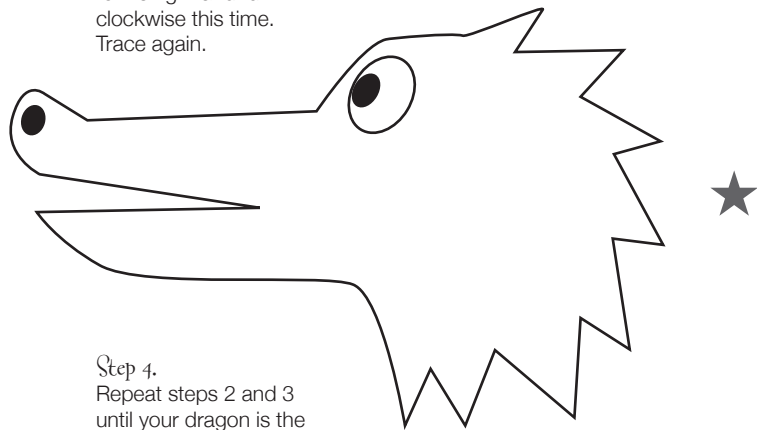

# Draw your own dragon!

Step 1.  
Place the palm of your left hand on the star and trace. See example below for guidance.

Step 2.  
Move your left hand to the right and turn counter-clockwise.  
Trace again.

Step 3.  
Move your left hand to the right and turn clockwise this time.  
Trace again.

Step 4.  
Repeat steps 2 and 3 until your dragon is the length you want.

Step 5.  
Colour your handprints in different colours.

Step 6.  
Show off your very own dragon!

Example of finished drawing:
